

yung kai - Blue

tom:
 Your morning eyes
 I could stare like watching stars
 I could walk you by
 And I'll tell without a thought
 You'd be mine, would you mind
 If I took your hand tonight
 Know you're all that I want this life

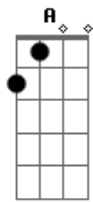

I'll imagine we fell in love
 I'll nap under moonlight skies with you
 I think I'll picture us, you with the waves
 The ocean's colors on your face
 I'll leave my heart with your air
 So let me fly with you

Will you be forever with me?

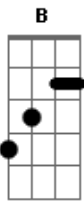

My love will always stay by you
 I'll keep it safe
 So don't you worry a thing, I'll tell you I love you more
 It's stuck with you forever
 So promise you won't let it go
 I'll trust the universe will always bring me to you

I'll imagine we fell in love
 I'll nap under moonlight skies with you
 I think I'll picture us, you with the waves
 The ocean's colors on your face
 I'll leave my heart with your air
 So let me fly with you
 Will you be forever with me?
