

# yung kai - Do You Think You Could Love Me?

tom:

E

Beautiful sight, I see when I sleep  
 You under street lights, waiting for me  
 Hold my hand, I'll take you through my dreams  
 Wherever you are  
 I'll never let go 'cause you're the one I want  
 Stay with my life, I can promise you your smile  
 With all my days

Do you think you could love me?  
 And I'll show you what makes you lovely  
 I love you to the stars and back

Give me your heart and I'll give you mine

Don't you like when I'm around?  
 Could you just pretend you care?  
 I belong with you my love, dreaming you anywhere  
 We can watch the sunset but you're with me there  
 And I'll pray for a light  
 And hope it brings you right to me  
 I'll watch you shining my darling

Do you think you could love me?  
 And I'll show you what makes you lovely  
 I love you to the stars and back  
 Give me your heart and I'll give you mine
