Co-co-como que se fala co-co-com uma mina dessas?

Só-só-só que quando querem, é-é eu que fico chato

D
Não-não sei mais o que eu faço

Será que eu nasci pra tá sozinho?

G
Necessito de mais testes, fica um pouco do meu lado

Uh, mete a mão lá que 'cê acha

G
Ca-carteira recheada, sempre achei que era perigo

D
Jovem branco sem estilo, pra atrair só sendo rico

G

Silver bracelets, some mo' laces, I'ma give you everything

G
Mesmo assim nunca quis, escolheu me amar no fim
