tom:  
**Abm** (forma dos acordes no tom de **Em**)  
 Capostraste na 4ª casa  
 Intro: **Am Em Am Em**  
 Ah, ah, ah, ah  
**Am**  
 I keep on walking, they try but can't stop me  
 No blocking my way, I was born for this shit  
**Em**  
 I walk, I walk, I walk (Hey, hey, hey)  
 I walk, I walk, I walk  
**Am**  
 I keep on walking, they try but can't stop me  
 No blocking my way, I was born for this shit  
**Em**  
 I walk, I walk, I walk (Hey, hey, hey)  
 I walk, I walk, I walk  
**Am**  
 Since 2018, I've had no more dreams  
 Just hopped on a bus and let the pain in (Krr, ah)  
**Em**  
 Try paintin' a picture, no brush and no pencil  
 Only felt weak like I had no potential  
**Am**  
 Not to mention the anger, I was no fan of myself  
 How did I have any fans? Maybe they demons from hell  
**Em**  
 I know that God may be looking and Lucifer wants me down  
 But i just felt like a lost boy, like white nose in a chapel  
**Am**  
 Rappin' on a bus to the west and tryin' hard not to laugh  
 At how wack I was being  
**Em**  
 Trynna to run away like a whiny little kid  
**Am**  
 Never was no king, don't deserve this shit (Hm, hm)  
 I tried to quit it (Hm, hm)  
**Em**  
 Then i dealt with it (Hm, hm)  
**Em**  
 Jump off the bus but the ground ain't soft  
 Fucked myself, then just walked off  
**Am**  
 I keep on walking, they try but can't stop me  
 No blocking my way, I was born for this shit  
**Em**  
 I walk, I walk, I walk (Hey, hey, hey)  
 I walk, I walk, I walk  
**Am**  
 I keep on walking, they try but can't stop me  
 No blocking my way, I was born for this shit  
**Em**  
 I walk, I walk, I walk (Yeah)
