

# YUNGBLUD - Cotton Candy

tom:

A

A D Dm Dm

Tallulah knows that she's not the only one

I'm holding close

A D Dm

On the low, I get vertigo from body overdose

A

So tell me your name, and tell me your

D

Problems

Dm

I got the same

A D

And I wanna get stuck between your teeth

Dm

Like cotton candy

So you'll remember me, darling

A

I'm losing myself in you

D Dm

And you, and you, and you, and you, I know

A

I'm losing myself in you

D Dm

And you, and you, and you, and you, I know

A

I'm losing myself in you

D Dm

And you, and you, and you, and you, I know

A D

I figured out that the modern world is

Dm

Turning the wrong way 'round

A

There's something about the way

D Dm

Our bedsheets turn religion upside down

A D

So we just have sex to solve all our problems

Dm

Let's do it again

A D

And I wanna get stuck between your teeth

Dm

Like cotton candy

So you'll remember me, darling

A

I'm losing myself in you

D Dm

And you, and you, and you, and you, I know

A

I'm losing myself in you

D Dm

And you, and you, and you, and you, I know

A

Leave me in the morning

D Dm

Although, I don't wanna be on my own

A

I'm losing myself in you

D Dm

And you, and you, and you, and you, I know

A

I'm losing myself in you

D Dm

And you, and you, and you, and you, I know

A

I'm losing myself in you

D Dm

And you, and you, and you, and you, I know

A

Leave me in the morning

D Dm

Although, I don't wanna be on my own

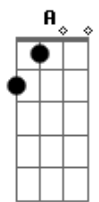

A

I'm losing myself in you

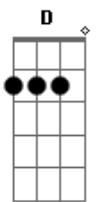

D Dm

And you, and you, and you, and you, I know
