

# YUNGBLUD - Ice Cream Man

tom: G

E  
I'm sitting on my own again  
E A G  
Wondering what all my friends did last night  
E  
They think that I hate them  
E A G  
Because I haven't sent 'em a text in two days  
E  
Laying on a concrete bench  
E A G  
Trying to rid my head from the cobwebs  
E  
Society sits on a fence  
E A G  
And I dont wanna get out of bed, for your nonsense  
E  
You are just an ice cream man  
E A G  
Take my dreams and get them banned  
E  
Lock me up inside your van  
A G  
And I don't wanna be a part of it man  
E  
I'm all used up, got nothing left  
E A  
I've got bumper cars inside my chest  
G  
That don't hold back  
E  
Go MIA that I am oppressed

E A G  
And my mother thinks I'll be dead for the weekend  
E  
No I won't ever be like the others  
E  
Hate myself and marry my cousin  
E  
I won't ever be like the others  
E  
Hate myself and marry my cousin, no  
E  
You are just an ice cream man  
E A G  
Take my dreams and get them banned  
E  
Lock me up inside your van  
A G  
And I don't wanna be a part of it, man  
C  
Give me champagne and TV  
A  
To make sure I fall asleep  
C  
Give me champagne and TV  
A B  
To make sure I fall asleep  
E  
You are just an ice cream man  
E A G  
Take my dreams and get them banned  
E  
Lock me up inside your van  
A G  
And I don't wanna be a part of it man
