You put it in my mouth I?m gonna bite down  
**F**  
If that ain't normal then the pope is a right clown  
  
**C**  
Lost in white light, white heat  
**F**  
Fire shots in our arms on your same street  
**C**  
Lost in white light, white heat  
**F**  
I'm blank why you shouting at me  
  
**C**  
I just wanna take my  
I just wanna take my  
**F**

It's like I'm a bad scene stuck in a wet dream  
  
**C**  
My heart is a bomb It just ticks along  
**F**  
Bang bang bang on a beat up tin drum  
**C**  
I'm an experiment of young irrelevance  
**F**

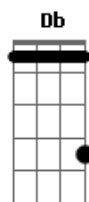

I'm insecure so I got tattoo of an elephant

Fire shots in our arms on your same street
