

YUNGBLUD - Weird!

tom:

Intro: B E B

B I can't sleep, at this time
B I got Jesus on my mind
E And everybody seems to like him
B I?can't think, I?can't lie
B I feel anxious all the time
E If I smiled I would be lying

B Only those who are asleep don't make mistakes, get no critique
B Seems everybody's worried 'bout the things that we are thinking
B And when the remedy's the enemy
B Hide self-deprecation up your sleeve
E And self-serving friends who leave when you are sinking

Abm Come hold my hand, hold it tight
E We're in a weird time of life
Abm Don't wreck your brain
Gb It'll be alright
E We're in a weird time of life

[Solo] B E B

B I want luck, I want love
B Sharing earphones on the bus
E And wake up next to you in Glasgow
B Some days I'll laugh, one day I'll cry
B See my mum and father die
E But the sun will shine tomorrow

B Only those who are awake will make mistakes then learn to face
B Seems everybody's worried 'bout the things that we are thinking
B And the enemy's the remedy
B Take the self-deprecation from up your sleeve
E And say "Fuck the friends who leave when you are sinking"

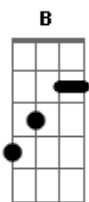

Abm Come hold my hand, hold it tight
Gb We're in a weird time of life
Abm Don't wreck your brain
Gb It'll be alright
E We're in a weird time of life
