tom:
Intro: Em A Gbm Bm

[Primeira Parte]

I used to?date a rock boy and he?stole my heart
Had me rolling in the deep so bad
Anywhere he go you know I'd go
Promised me forever seven days of the week
But he was too busy getting down in the sheets
I used to date a rock boy, till he broke my heart

[Pré-Refrão]

He tried so hard to win me back over
With a couple melodies

Had to let him know that he can't play me
