tom:
 Dbm
 Aadd9
 It's been two weeks since you are gone
 Dbm B
 I'm trying to overcome
 Aadd9 Dbm B
 I cannot find a relieve
 Aadd9
 I wish that you could hold my hand
 Dbm B
 There's nothing else I would demand
 Aadd9 Dbm B
 But silence is all I get and it deceives me
 Dbm Abm
 Things are not the way they used to be
 A
 I'm standing in the dark
 Badd9
 And you are not here with me
 Dbm Abm
 Life has changed in a way that I can't believe
 A
 I'm looking for a spark
 Badd9
 But there's nothing left for me to see
 Aadd9
 I know we went as far as we
 Dbm B
 Could ever possibly believe
 Aadd9 Dbm B
 But time is not enough when you love someone
 Aadd9
 I miss your joy, I miss your laugh
 Dbm B
 And now I'm feeling like I'm in half
 Aadd9 Dbm
 I guess it's true, I'm trying to forget
 Dbm Abm
 Things are not the way they used to be
