

# Yutaka Yamada - Remembering

tom:  
D  
I'm waking from this dream  
A D  
Returning to reality is so bittersweet  
A Em B7  
But I open my eyes and the illusion is fading  
E A D A  
Slip\_ping a\_way  
D  
It was just within reach  
A7  
Yet so far  
Bm A  
I lay here all alone once more  
D7 G E7 A D  
I dreamed you were be\_side me  
A Bm  
You were there once again as if you had never left and  
A D  
I remember wanting to say  
A D  
Asking you... Not to go  
Em A D  
But I know that was impossible then  
G A  
You say: I can't stay here  
D A7  
As my damp eyes open

The sunshines on the bleak ho\_rizon

It's just another day  
A D A D A D  
I look out at the dimly lit buildings...And think of you  
A D  
Am I imagining you here, right next to me?  
A  
Your eyes catch my own  
D A  
I look back fleetingly  
A7 D  
Before I realize you're really there

D7 G E7 A D  
I dreamed you'd be be\_side me  
G A D  
That we would meet again

Your eyes glistened, your tears is falling  
Gb7 Bm  
I know you have not forgotten the past that  
Em D  
We shared as I quietly watch you wipe your tears away

G D  
Although I've found you  
A D  
I know this meeting will not last  
A D A D  
I have to let go continue finding your way  
A  
Though I will miss you  
D A G D  
It's time to wake from this dream
