                Bm

        [Primeira Parte]

            Em
Stir the pot
        A
Cook some sense
        D                 Bm
Overstay your welcome pretense
            Em              A
There is someone keeping you here
        Bm        Gb        Gb      G
There is someone waiting for you oh

[Pré-Refrão]

      Bm                  E
And it?s been too long
                            G
So why don?t you come out tonight
      Bm          D      E
And don?t say a word or it
  E7                          A
So why don?t you come out tonight

[Refrão]

                            Em  G
And I know I?m trying too hard
 A
Searching for signals
    D           Gb      Bm
I just don?t want to be alone
          Em
Wasting my time
 A
Searching for signals
    D           Gb      Bm
I just don?t want to be alone

[Segunda Parte]
      E           A
In her house, I get lost in the woods
          D                 Bm
There?s a raven that takes me to my moonrise kingdom
      Em              A
Where I flew the coop
          Bm                    Gb            D A G
Where I went against everything that I thought was wrong and

[Pré-Refrão]

Bm                E
It feels so right
      E7                      G
So why don?t you come out tonight
```

```
           Bm                   E7
And don?t say a word of it
                              A
So why don?t you come out tonight
