                          tom:
                  E

              B
You see
            E
I wanna stay humble

I wanna stay hungry
     Dbm
I wanna hear my father say that he loves
Me
      A
I never gave a shit about being arrogant
         B
Anyway
      E        A
So overtime
                   Dbm        B
I?ve been working overtime
              E                     A
And it?s all gonna be just fine
           Dbm                 B
I swear all we?ve got is time
