

# Zach Bryan - Rivers And Creeks

tom:

[Primeira Parte]

Well, all them girls were talking 'bout  
 All their boys walking with their big chests  
 And prideful mouths  
 Had a friend in Cincinnati who died with a  
 Six-shooter taped to the roof of his mouth  
 'Cause his girl was making love to a man  
 Who'll never give her what she needs  
 Like a shark in the middle of the big Pacific  
 She'll eat anything that fucking bleeds

[Refrão]

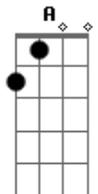

When it gets cold, your love, it comes and goes  
 Grows with the vines and the trees  
 Hate that it grows inside my lungs  
 Freezes up on the rivers and creeks  
 When it gets hot, you're not around  
 Go to town to get a different lover  
 Deep within the shaking, earthquaking California summer  
 Oh, I pray you'll never find another

[Interlude]

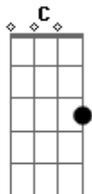

C G D Em

Well, I flew across the ocean, just humbly hoping  
 I would make it to the other side  
 'Cause them boots of Spanish leather are  
 Only worn better when there's someone wearing  
 Down the hide  
 When there's nowhere to go and nowhere to call home

I hope you swim on back someday  
 As the sharks eat all the hearts that are  
 Fallin' in love in San Francisco Bay

[Refrão]

When it gets cold, your love, it comes and goes  
 Grows with the vines and the trees  
 Hate that it grows inside my lungs  
 Freezes up on the rivers and creeks  
 When it gets hot, you're not around  
 Go to town to get a different lover  
 Deep within the shaking, earthquaking California summer  
 Oh, I pray you'll never find another

Well, love is just a river, yeah, love is just a creek  
 Leadin' to the slaughter with the big, white teeth  
 Love is just a river, yeah, love is just a creek  
 Leadin' to the slaughter with the big, white teeth  
 Love is just a river, yeah, love is just a creek  
 Leadin' to the slaughter with the big, white teeth  
 Love is just a river, love is just a creek  
 Leadin' to the slaughter with the big, white

[Final]

Well, love is just a river, yeah, love is just a creek  
 Leadin' to the slaughter with the big, white teeth  
 Love is just a river, yeah, love is just a creek  
 Leadin' to the slaughter with the big, white teeth
