Zach Bryan - Something In The Orange

```
I need to hear you say you've been waitin' all night
               tom:
                                                                                             D
                                                                     G
                                                                                                        Fm
                                                              There's orange dancing in your eyes from bulb light
               Fm
Intro: Em G G Em
                                                                  Em
                                                                                          D
                                                                                                  G
                                                              Your voice only trembles when you try to speak
[Primeira Parte]
                                                                   G
                                                                                             D
                                                                                                         Em
                                                              Take me back to us dancing, this wood used to creak
     Fm
                               D
                                         G
It'll be fine by dusk light I'm telling you baby
                                                              [Refrão]
           G
                                                    Fm
                                        D
These things eat at your bones and drive your young mind crazy
                                                              Cadd9
                                                                                       G
                                      D
                                                              To you I'm just a man, to me you're all I am
       Em
                                            G
But when you place your head between my collar and jaw
                                                              D
                                                              Where the hell am I 'supposed to go?
                             D
                                       Em
I don't know much but there's no weight at all
                                                               Cadd9
                                                              I poisoned myself again
[Segunda Parte]
                                                                                                                  Fm
                                                              G
                                                              Something in the orange tells me you're never coming home
       Em
                             D
                                     G
And I'm damned if I do and I'm damned if I don't
                                                              (Cadd9 G D Em)
        G
                           D
                                  Em
'Cause if I say I miss you I know that you won't
                                                              [Refrão]
    Em
                                 D
                                          G
But I miss you in the mornings when I see the sun
                                                              Cadd9
                                                                                       G
                            D
                                                              To you I'm just a man, to me you're all I am
                                   Em
Something in the orange tells me we're not done
                                                                                              Fm
                                                              Where the hell am I 'supposed to go?
[Refrão]
                                                               Cadd9
                                                              I poisoned myself again
Cadd9
                         G
To you I'm just a man, to me you're all I am
                                                              Something in the orange tells me you're never coming home
D
                                                                Cadd9
                                                                                             G
                               Fm
Where the hell am I 'supposed to go?
                                                              If you leave today I'll just stare at the way
 Cadd9
                                                                 D
I poisoned myself again
                                                              The orange touches all things around
                       D
G
                                                    Fm
                                                                Cadd9
                                                                                            G
                                                              The grass trees and dew, how I just hate you
Something in the orange tells me you're never coming home
                                                              D
                                                                                           Fm
(Cadd9 G D Em)
                                                              Please turn those headlights around
                                                                                           Em
[Terceira Parte]
                                                              Please turn those headlights around
