P?ople die a thousand times to get to

Who they are
         Am                      F
We were praying to the heavens on a late

Train car
       C
Your heart knows deeper seasons than my
G
Eyes ever will
       Am
I'm a self-destructive landslide if you
F
Wanna be the hill
```

I ain't spotless, neither is you
                 Am
For once in my life, I'm gonna see it

Everything meant to be is bound to stay
```

(C   G   Am   F)

[Terceira Parte]

```
                   C
Remember jumping in the pool when we
        G
Were fully clothed in August
                       Am
We were soaking, choking, smoking in my
F
Old shitty apartment
                      C
Then they cut off all the lights 'cause
           G
The bills were never paid
                      Am
We were stealing all the power from the
F
Neighbors on vacation
```

[Refrão]

```
           C                    G
I ain't spotless, neither was you
                 Am
For once in my life I'm gonna see it
F
Through
               C                G
If you want spotless, I'll always lose
                Am
You gave me a love, lover you gave me
              F
The truth

G
   I was alone
         Am
You were bettin' on a loser, you were
F
Calling my bluff
G          Am                    F
Holding one another, is it never enough?
G          Am        F   C
You were right there with me
```

[Refrão]

```
           C                    G
I can't stop this, neither can you
                 Am
For once in my life, I'm down to see it
F
Through
               C                    G
If you want spotless, I'll always lose
                Am
You gave me love, lover, you gave me
F
Truth
