Well I fell down, down, down
 Into this dark and lonely hole
 There was no one there to care about me anymore
 And I needed a way to climb and grab a hold of the edge
 You were sitting there holding a rope
 And we'll go up, up, up
 But I'll fly a little higher
 We'll go up in the clouds because the view is a little nicer
 Up here my dear
 It won't be long now, it won't be long now
 When I get back on land
 Well I'll never get my chance
 Be ready to live and it'll be ripped right out of my hands
 Maybe someday we'll take a little ride
 We'll go up, up, up and everything will be just fine
 And we'll go up, up, up

Em
 But I'll fly a little higher
 Am F
 We'll go up in the clouds because the view is a little nicer
 C Em
 Up here my dear

 It won't be long now, it won't be long now

 If only... I had a little bit more time (a little bit more time)
