

# Zach Top - I Know a Place

tom:

D

Intro: D

[Primeira Parte]

I know a place

Hidden away on the southern coast

You won't find it on no map

It's a kinda place you just gotta know

Yea I know a place

Where time slows down to a low-tide pace

No one there will know our names

Let's got get lost and watch some waves

[Refrão]

It's time we make a great escape

Turn of the world and get away

Did I mention I know a place

Where you wake up with a postcard view

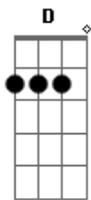

Sun sets on the ocean blue

Just for me and you

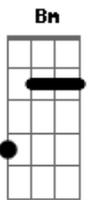

Don't even worry bout packing clothes

Just say the word and we'll hit the road

[Segunda Parte]

Yea I know a place

It's like a piece of heaven here on earth

Ain't no sidewalks and no high rise

Oh there ain't no traffic and there ain't no work

[Refrão]

It's time we made a great escape

Turn of the world and get away

Did I mention I know a place

Where you wake up with a postcard view

Sun sets on the ocean blue

Just for me and you

Don't even worry bout packing clothes

Just say the word and we'll hit the road

[Final]

Yea I know a place

We can stay as long as you want to stay

A couple lifetime's or a couple days

Yea I know a place
