

Zach Top - I Never Lie

tom:
D

Intro: D G D

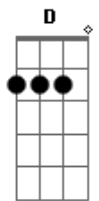

Well, it's been sometime
You still look like an angel
I heard you're doing fine
Got promoted back in April
And you met someone
Your dad says he's OK
Well I've never been better
Things are goin' my way

[Refrão]

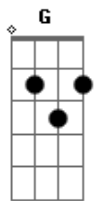

I sleep like a baby
I never show up late for work
I don't drink whiskey
I don't know how it feels to hurt
But I ain't been lonely
Since you said goodbye
Wish I could say I miss you
Oh but you know I never lie

Weah I've met somebody too
She's a model out in L.A.
And she's begging me to move
She says Malibu is really great
Ain't decided if I'm going or not

But at the end of the day

I don't drink whiskey
I don't know how it feels to hurt
But I ain't been lonely
Since you said goodbye
Wish I could say I miss you
Oh but you know I never lie
