Zachary Knowles - City

```
                        tom:
                    C
Intro: Em7 G      D
       Hmmm

A          Em7         G
 I woke up in the city
       D           A
Nothing on my mind but you
       Em7                G
Not the same without you?with?me
      D              A
'Cause I need?you to be here too
           Em7            G
I think?I'm way too young for this, yeah
         D              A
And when my thoughts go negative
                Em7
You make it right
   G        D
I need it, you need it

            Em7          G
Tell me, am I wrong for this?
               D            A
I never thought I'd fall for this
             Em7
Tell me, am I wrong for this?
G                      D
If I ever fell off track
                         A
Would you bring me right back?
            Em7
I know you will

G                   D
 I know you will (Oh-oh, oh-oh-oh)
A              Em7
 I know you will
G                   D
 I know you will (Oh-oh, oh-oh-oh)

A                        Em7            G
 I've been catching flights, leaving you alone
         D                        A
```

```
I know that it hurts you when I'm away from home
                        Em7                        G
It's hard with all the distance, I really miss your face
                     D                    A
I still feel you with me when I'm far away, yeah, yeah
Em
Miscommunicate things I want to say
G
I can't get through to you, no
D
I don't mean to be rude, apologies
A
You know that I love you, though
     Em7      G                        D
If I tried, gave my everything but it went sideways
A                                    Em7
I know you'd stay with me through my dark days
G                     D
'Cause you make it right

You make it right

                Em7            G
Tell me, am I wrong for this?
                D            A
I never thought I'd fall for this
             Em7
Tell me, am I wrong for this?
G                      D
If I ever fell off track
                              A
Would you bring me right back?
               Em7
I know you will
G                   D
 I know you will (Oh-oh, oh-oh-oh)
A              Em7
 I know you will
G                   D
If I ever fell off track
                              A
Would you bring me right back?
               Em7  G  D  A
I know you will
```
