A deriva, na turbulência do meu próprio mar
 Abandonei o mapa, estou pronto a naufragar
 Revolto e agitado, mar bravo, entre mim e a neblina
 Oh meu Deus, se o Teu farol eu pudesse ver

Se o teu o farol eu pudesse ver
 Se alguém pudesse me ouvir (2x)
 [Refrão]

Eu elevo os meus olhos para os montes, calma
 Em meio a tempestade encontrei a paz
