( G Em F7M C )(2x)
```

1st verse :
```
G           Em          F7M      F7M
 Dying to live, living to die
G           Em          F7M          C
 Ain't no hellos here, nothing but goodbye
G           Em                  F7M      F7M
 It's like singing a song that cannot be sung
G           Em              F7M          C
 It's like having to end child, what's yet to love begun  oh
oh
```

Chorus :
```
G      D     C
 Hey, hey, hey now
          G            D      C
Where I am at times I just can't tell
G      D    C
 Hey, hey, hey, now
     C >(Deixe soar)    (Cadd9) (Cadd9)
I'm lost somewhere Between Heaven and Hell
```

```
( G Em F7M F7M )
( G Em F7M C )
```

```
G           Em              F7M        F7M
 All that you know and all that you knew

 In the end child, tell me what's it all mean to you?
```

```
G           Em              F7M      F7M
Don't forget just who and where you are
G           Em              F7M              C
 You can spread your wings son but don't you spread yourself
too far
