

Zakk Wylde - Tears Of December

```
Intro: A Dbm D A
        Dbm
Fields of gold
And all that shines
A Dbm
You knew just where to look
Yet you did not wish to find
A Dbm D A
Drawn and quartered by the fate of one's own hand
When you don't wish to understand
Refrão:
Empty skies leave nothing to hold
         A Gbm
Like the tears of december
     Bm
Leave you broken and so cold
              Dbm
Within this house of mourning
```
