For here I stand

Broken pieces of the memories that fall through my hands

Taken for a fool

As they sharpen their knives

Stab me with my trust once again

So many sinners dressed as saints

Lies and the half truths they paint

Another day

Your memory fades

I shall not mourn

Yesterday's tears

All that is gone

And all that once was here

I shall not mourn the past

The days, the months or the years

Yesterday's tears

( D A D )

Saddened and betrayed

Yet unbroken, I walk amongst the liars and the thieves

Nothing ever lasts

It's been spoken

Compassion died, yet no one ever grieved

So many sinners dressed as saints

Lies and the half truths they paint

Another day

Your memory fades

I shall not mourn

Yesterday's tears

All that is gone

And all that once was here

I shall not mourn the past

The days, the months or the years

Yesterday's tears

( D A D )
