

Zander Hawley - Daddy Cop

tom:
 Is that a baton in your pocket
 Or are you just happy to see me?
 She puts the short in shorty
 And he looks like he wants to chase me

Cop cuties, cute and on-duty

Navy Blue booties

Go ahead and lock me up
 Arrest me, but make it sexy
 Arrest me, but make it sexy

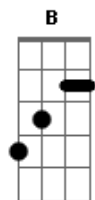

Put me in the back of your car
 And we'll start the verbal flirtation
 I'm doing tax fraud and arsons
 Now take me down to your station

Cop cuties, cute and on-duty

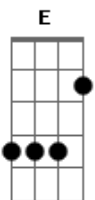

Navy Blue booties

Go ahead and lock me up
 Arrest me, but make it sexy

Sell me some meth please
 So I can get arrested by this daddy of a cop
 With his daddy cop walk
 And his daddy cop arms
 And his daddy cop butt, ow!
 Cop cuties, cute and on-duty
 Cop cuties, cute and on-duty

I've got my own cuffs
 Let me lock you up
 I've got my own cuffs
 Let me lock you up
 I've got my own cuffs
 Let me lock you up
 They're made of pink fluff
 Let me lock you up

Arrest me, but make it sexy
 Arrest me, but make it sexy, yeah
