

Zanna - Pele Boa

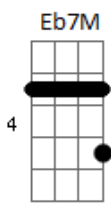

tom:
 Hoje acordei mais nova com a pele boa
 Só sentindo o sol entrar
 Hoje não quero ninguém que me tire de mim
 Só deixa eu ficar
 De pijama, de pé tomando meu chá

De chinelo, plena no meu sofá
 Rir de bobeira, perder o meu celular
 Respirar, me perder e me achar
 Hoje me livrei da culpa aposentei o medo
 Ninguém vai me apontar
 Hoje eu sou todas elas alma irmã
 Aquela mulher que vem me salvar
