

Zara Larsson - I Would Like

```
Intro: Dm Am Bb
                                                                               Am
Dm Am Bb
                                                           I would like to get to know you baby
                                                                    Am
[Verse]
                                                           Like to get under your sexy body
                                                              Dm
I didn't know that I could want you so deep
                                                           I would like to get to know you baby
                                                                     Αm
Until I saw you with someone who is not me
                                                           Like to get under your sexy body
                                                           Dm Am Bb Dm
                                     Am
You got me playing in a game that ain't fair
                                                           Waoooooh waoooh
                                                            N.C.
                   Gm
But you're taking me there, yeah you're taking me there
                                                           (Under your sexy body)
                                                                 Bb
[Pre-Chorus]
                                                             Na na na, na na na
 I can't help myself, it's human nature, human nature
                                                             Under your sexy body
                           Am Bb
                                                           [Bridge]
 Who's to say what's meant to be?
                                                                                  Am
                                                            I would like to get to know you baby
                      Am
 Why can't we be on our worst behavior, worst behavior
                                                               Am Bb
                                                            Like to get under your sexy body
                      Bb C
 When it comes all naturally
                                                                               Am
                                                            Come take me under now, na na na, na na na
                                                                             Am
                                                            Go on and go there, na na na, na na na
I would like to get to know you baby
                                                                                Am Bb
                                                            Come take me under now, na na na, na na na
Dm Am
Like to get under your sexy body
                                                                             Am
                                                                                   Bb
                                                            Go on and go there, na na na, na na na
I would like to get to know you baby
         Am
Like to get under your sexy body
                                                                                Αm

Dm Am
 Under your sexy body
                                                           Dm Am Bb Dm
                                                           Waoooooh waoooh
                                                            N.C.
[Verse]
                                                           (Under your sexy body)
What would you do, the way you hold it like that (like that)
                                                           [Chorus]
                                                                                Am
         Dm
                                Am Bb
Looking at me to see if I'm the get-back
                                                           I would like to get to know you baby
Me and you boy, we gon' work tonight to leave, to leave
                                                           Like to get under your sexy body
                      Gm
                                                                Dm
                                                                            Am
Yeah you're leaving with me, leaving with me
                                                           I would like to get to know you baby
[Pre-Chorus]
                                                           Like to get under your sexy body
 I can't help myself, it's human nature, human nature
                                                           [Coda]
                           Am Bb
                                                                                Am
 Who's to say what's meant to be?
                                                            Come take me under now, na na na, na na na
                                                                             Am
 Why can't we be on our worst behavior, worst behavior
                                                            Go on and go there, na na na, na na na
                      Bb C
                                                                                Am Bb
 When it comes all naturally
                                                            Come take me under now, na na na, na na na
                                                                             Am
                                                            Go on and go there, na na na, na na
