

# Zara Larsson - Midnight Sun

tom:

[Primeira Parte]

**E**  
No nightmares when you can still see the light  
**D**  
Can't find me, I'm not in the city tonight  
**E**  
I like your playlist, boy, turn it up a little louder  
**Bm**  
Road's empty, so you drive a little faster  
**D**  
Ain't taken nothing tonight, but I'm feeling so high

[Pré-Refrão]

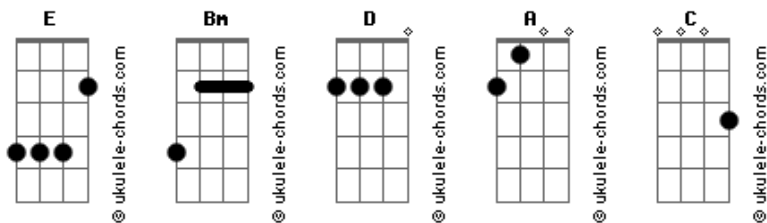

**E**  
Show my tan lines, low rise, rooftop down  
**D**  
It's golden hour all the time

[Refrão]

**E**  
It's the midnight sun, kissed skin under the red sky  
**Bm**  
Laying on your chest like this  
**D**  
Hold me like the pebbles in your hands, initials in the sand  
Yeah  
**A**  
Summer isn't over yet  
**E**  
Skinny-dipping with your heart, out it's my favorite part  
**Bm**  
Now we ain't gotta tell no one  
**D** **N.C**  
A never ending midnight sun  
**E** **Bm** **D** **A**  
A never ending midnight sun
