

# Zayn Malik - Concrete Kisses

tom:  
[Primeira Parte]

All I wanted was a cup of coffee  
I got somethin' else and so it seems  
Concrete kisses on my face and forehead  
From where I fell last night on the street

[Pré-Refrão]

When I fell hard  
All these scars on my skin  
Where you left marks  
When I fell hard  
All these scars on my skin  
Where you left marks

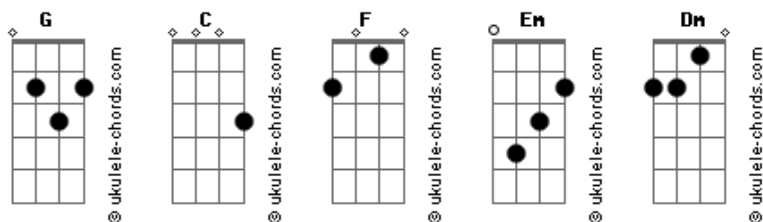

[Refrão]

This might not sound right, but it's alright, it's real  
I'm findin' my way on the highway this year

[Segunda Parte]

Got a big ol' cup of shit, told me to drink it  
Middle finger to a true believer  
Beginnings have a habit of endin'

## Acordes

Purgatory, I'm stuck here in misery, mm

[Refrão]

This might not sound right, but it's alright, it's real  
I'm findin' my way on the highway this year

[Ponte]

Ooh, why does this pain feel so good?  
Pumpin' my brain like drunk blood  
Feeling this way, there's no such thing as happy endings  
See on my face, my heart change  
Lovin' this place I've created  
Realize that I'm too good for games we've been playin'

[Refrão]

This might not sound right, but it's alright, it's real  
I'm findin' my way on the highway this year

[Final]

Ooh, ooh-ooh, ooh-ooh, ooh-ooh  
Ooh, ooh-ooh, ooh-ooh, ooh-ooh  
Ah-ah-ah-ah-ah, ooh-ooh, ooh-ooh, ooh-ooh
