tom:
B

Abm Gb E B
Time is standing still and I don't wanna leave your lips
E B Abm Gb
Tracing my body with your fingertips
E B Abm
I know what you're feeling and I know you wanna say it (yeah, say it)
E B Abm Gb
I do too, but we gotta be patient (cannot be patient)

E
'Cause someone like me
B
And someone like you
Abm Gb
Really shouldn't work, yeah, the history is proof
E
Damned if I don't
B
Damned if I do
Abm Gb
You know, by now, we've seen it all

E
Said: Oh-ooh
B Abm
We should fall in love with our eyes closed
Gb E
Better if we keep it the way we don't know
B
The best we've been in
Abm Gb
The names and the faces of who we were with
E
And oh-ooh
B Abm
Ain't nobody perfect, but it's all good
Gb E
The past can't hurt us if we don't look
B
Let's let it go
Abm Gb E
Better if we fall in love with our eyes closed

B Abm Gb
(Oh-oh, oh-oh, oh-oh)

Abm Gb
I got tunnel vision every second that you're with me
E B Abm Gb
No, I don't care what anybody says, just kiss me
(Ooh)

E B
'Cause you could be trouble, but it could be good
Abm Gb
I've been the same, kind of misunderstood
E B

Whatever you thought, just it ain't nothing new
Abm Gb
You know, by now, we've seen it all
