

Zayn Malik - Good Years

Tom: D

I'd rather be anywhere^{Bm}
 Anywhere but here^G
 I'd rather be anywhere^G
 Anywhere but here^D
 I close my eyes^{Bm}
 I see a crowd of a thousand tears^{A G}
 I pray to God I didn't waste all my good years^D
 All my good years^G
 All my good years^{A D}
 All my good years

The voices screaming loud as hell^{Bm G}
 We don't care about no one else^D
 Nothing in the world could bring us down^{Bm G}
 Now we're so high among the stars without a worry^D
 And neither one, one of us wants to say we're sorry^{G Bm D}

I'd rather be anywhere^{Bm}
 Anywhere but here^G
 I'd rather be anywhere^G
 Anywhere but here^D
 I close my eyes^{Bm}
 I see a crowd of a thousand tears^{A G}
 I pray to God I didn't waste all my good years^D
 All my good years^G
 All my good years^{A D}
 All my good years

Too much drugs and alcohol^{Bm G}
 What the hell were we fighting for?^D
 Cause now the whole damn world will know^{Bm G}
 That we're too numb^G
 And just too dumb to change the story^D

Neither one, one of us wants to say we're sorry^{G Bm D}

I'd rather be anywhere^{Bm}
 Anywhere but here^G
 I'd rather be anywhere^G
 Anywhere but here^D
 I close my eyes^{Bm}
 I see a crowd of a thousand tears^{A G}
 I pray to God I didn't waste all my good years^D
 All my good years^G
 All my good years^{A D}
 All my good years

Need a chance just to breathe^G
 Feel alive^{Bm}
 And when the day meets the night^{D G}
 Show me the light^A
 Feel the wind and the fire^G
 Hold the pain deep inside^{Bm}
 It's in my eyes, in my eyes^{D A}

I'd rather be anywhere^{Bm}
 Anywhere but here^G
 I'd rather be anywhere^G
 Anywhere but here^D
 I close my eyes^{Bm}
 I see a crowd of a thousand tears^{A G}
 I pray to God I didn't waste all my good years^D
 All my good years^G
 All my good years^{A D}
 All my good years

I pray to God I didn't waste all my good years^{G D}
 All my good years^G
 All my good years^{A D}
 All my good years

I pray to God I didn't waste all my good years^{G D}
 All my good years^G
 All my good years^{A D}
 All my good years
