

# Zayn Malik - Good Years

Tom: D

I'd rather be anywhere <sup>Bm</sup>  
 Anywhere but here <sup>G</sup>  
 I'd rather be anywhere <sup>G</sup>  
 Anywhere but here <sup>D</sup>  
 I close my eyes <sup>Bm</sup>  
 I see a crowd of a thousand tears <sup>A</sup> <sup>G</sup>  
 I pray to God I didn't waste all my good years <sup>D</sup>  
 All my good years <sup>G</sup>  
 All my good years <sup>A</sup> <sup>D</sup>  
 All my good years

The voices screaming loud as hell <sup>Bm</sup> <sup>G</sup>  
 We don't care about no one else <sup>D</sup>  
 Nothing in the world could bring us down <sup>G</sup>  
 Now we're so high among the stars without a worry <sup>D</sup>  
 And neither one, one of us wants to say we're sorry <sup>G</sup> <sup>Bm</sup> <sup>D</sup>

I'd rather be anywhere <sup>Bm</sup>  
 Anywhere but here <sup>G</sup>  
 I'd rather be anywhere <sup>G</sup>  
 Anywhere but here <sup>D</sup>  
 I close my eyes <sup>Bm</sup>  
 I see a crowd of a thousand tears <sup>A</sup> <sup>G</sup>  
 I pray to God I didn't waste all my good years <sup>D</sup>  
 All my good years <sup>G</sup>  
 All my good years <sup>A</sup> <sup>D</sup>  
 All my good years

Too much drugs and alcohol <sup>Bm</sup> <sup>G</sup>  
 What the hell were we fighting for? <sup>D</sup>  
 Cause now the whole damn world will know <sup>Bm</sup> <sup>G</sup>  
 That we're too numb <sup>G</sup>  
 And just too dumb to change the story <sup>D</sup>

Neither one, one of us wants to say we're sorry <sup>G</sup> <sup>Bm</sup> <sup>D</sup>

I'd rather be anywhere <sup>Bm</sup>  
 Anywhere but here <sup>G</sup>  
 I'd rather be anywhere <sup>G</sup>  
 Anywhere but here <sup>D</sup>  
 I close my eyes <sup>Bm</sup>  
 I see a crowd of a thousand tears <sup>A</sup> <sup>G</sup>  
 I pray to God I didn't waste all my good years <sup>D</sup>  
 All my good years <sup>G</sup>  
 All my good years <sup>A</sup> <sup>D</sup>  
 All my good years

Need a chance just to breathe <sup>G</sup>  
 Feel alive <sup>Bm</sup>  
 And when the day meets the night <sup>D</sup> <sup>G</sup>  
 Show me the light <sup>A</sup>  
 Feel the wind and the fire <sup>G</sup>  
 Hold the pain deep inside <sup>Bm</sup>  
 It's in my eyes, in my eyes <sup>D</sup> <sup>A</sup>

I'd rather be anywhere <sup>Bm</sup>  
 Anywhere but here <sup>G</sup>  
 I'd rather be anywhere <sup>G</sup>  
 Anywhere but here <sup>D</sup>  
 I close my eyes <sup>Bm</sup>  
 I see a crowd of a thousand tears <sup>A</sup> <sup>G</sup>  
 I pray to God I didn't waste all my good years <sup>D</sup>  
 All my good years <sup>G</sup>  
 All my good years <sup>A</sup> <sup>D</sup>  
 All my good years

I pray to God I didn't waste all my good years <sup>G</sup> <sup>D</sup>  
 All my good years <sup>G</sup>  
 All my good years <sup>A</sup> <sup>D</sup>  
 All my good years
