

Zayn Malik - I Don't Mind

Tom: D
Intro: D A G D A G

I don't mind falling
If it means I get to fly again
Up in my island
Like a dream I'm trying to fight against
I don't mind mischief
We're just dancing in the dark again

The light blows
Don't wanna spend time on the issue
We'll never grow old when I'm with you

When I'm with, when I'm with, when I'm with
When I'm with you
The sun never comes up

When I'm with, when I'm with, when I'm with
When I'm with you
It's lit you can put it out

I can find you when you're lost
Girl you'll never see me running out
Fuck anybody else, there's only you

But you know I got your back I'm on your side
I don't mind You can tell me your lies
I don't mind You can me tell all night
When I'm with you uhh

When you know I Know you're playing with my mind

I don't mind you can tell me your lies
I don't mind
You can me tell all night
When I'm with you uhh

No, I don't mind

I don't mind waiting
If you need some time to love again
I don't want nothing
Just a little something for the pain
I don't mind mischief

We're just dancing in the dark again

The light blows
Don't wanna spend time on the issue
We'll never grow old when I'm with you

When I'm with, when I'm with, when I'm with
When I'm with you, the sun never comes up
When I'm with, when I'm with, when I'm with
When I'm with you, it's lit you can put it out

I can find you when you're lost
Girl, you'll never see me running out
Fuck anybody else, there's only you

But you know I got your back I'm on your side
I don't mind You can tell me your lies
I don't mind You can me tell all night
When I'm with you uhh

When you know I Know you're playing with my mind
I don't mind you can tell me your lies
I don't mind
You can me tell all night
When I'm with you uhh

No, I don't mind

I really don't mind if it's looooooove
Been waiting for a sign in the night nooo ohhh
I really don't mind if it's looooooove

Girl, you know ohh ohhhhh

But you know I got your back I'm on your side
I don't mind You can tell me your lies
I don't mind You can me tell all night
When I'm with you uhh

When you know I Know you're playing with my mind

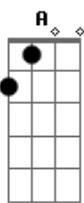

I don't mind you can tell me your lies

You can me tell all night
When I'm with you uhh
