

# Zayn Malik - Rainberry

Tom: **G**

Intro: **Bm**

**Bm**

Rainberry, please

You think I'm on my knees, but don't you worry

I know what you don't know-oh-oh

Don't even start, the truth won't break my heart

No, don't you worry

I already know-oh-oh

**Bm**

Too many bones inside your closet

You thought you buried deep

But they never let me get a minute of peace

How do you sleep? Ooh

**Bm**

Rainberry

Falling down your blood-red lips

Why are your eyes heavy?

Is there somebody else you missed?

Tell me what's going on before I go too far

Said, Rainberry

Is there somebody else, somebody else now?

**Bm**

Dry your eyes 'cause it won't work this time

I already dried mine, and I won't drown in yours

Go wash your hands, but you can't change your past

Those stories ain't shit now

You don't mean it, I'm sure
