

# Zayn Malik - Rainberry

Tom: **G**

Intro: **Bm**

**Bm**  
Rainberry, please

**A** **D** **G**  
You think I'm on my knees, but don't you worry

**Gb**  
I know what you don't know-oh-oh

**Bm** **A**  
Don't even start, the truth won't break my heart

**G**  
No, don't you worry

**Gb**  
I already know-oh-oh

**Bm**  
Too many bones inside your closet

**A**  
You thought you buried deep

**G** **B**  
But they never let me get a minute of peace

**Gb**  
How do you sleep? Ooh

**Bm**  
Rainberry

**A** **D**  
Falling down your blood-red lips

**D**  
Why are your eyes heavy?

**Gb**  
Is there somebody else you missed?

**Bm** **A**  
Tell me what's going on before I go too far

**D**  
Said, Rainberry

**Em** **B**  
Is there somebody else, somebody else now?

**Bm** **A**  
Dry your eyes 'cause it won't work this time

**G** **Gb**  
I already dried mine, and I won't drown in yours

**Bm** **A**  
Go wash your hands, but you can't change your past

**G**  
Those stories ain't shit now

**Gb**  
You don't mean it, I'm sure

**B** **Bm**  
Too many bones inside your closet

**A**

You thought you buried deep

**G**  
But they never let me get a minute of peace

**G**  
How do you sleep? Ooh

**Bm**  
Rainberry

**A** **D**  
Falling down your blood-red lips

**D**  
Why are your eyes heavy?

**Gb**  
Is there somebody else you missed?

**Bm** **A**  
Tell me what's going on before I go too far

**G**  
Said, Rainberry

**D** **Abm** **D**  
Is there somebody else, somebody else now?

**Abm**  
Rainberry

**Bm** **D**  
Rainberry, please

**Ab**  
Rainberry

**Bm** **A** **Dbm**  
Rainberry, please

**Bm**  
Too many bones inside your closet

**A**  
You thought you buried deep

**G**  
But they never let me get a minute of peace

**B** **A**  
How do you sleep? Ooh

**Bm**  
Rainberry

**A** **D**  
Falling down your blood-red lips

**D**  
Why are your eyes heavy?

**Gb**  
Is there somebody else you missed?

**Bm** **A**  
Tell me what's going on before I go too far

**G**  
Said, Rainberry

**D**  
Is there somebody else, somebody else now?
