Zayn Malik - Shoot At Will

```
                    tom:
                     A
Intro: D  A  Gbm  A
        D  A  E  A
```

[Refrão]

```
D              A          Gbm        A
Just took a drag, oh, ain't it a drag?
        D        A         E          A
When you feel like history's pullin' you back
                        D        A
Yeah, I've been runnin' bare feet in a field
        Gbm       A
Yeah, a dream gon' bad
          D        A       E         A
'Cause it feels like history's pullin' me back
```
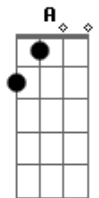

[Primeira Parte]

```
          D        A              Gbm
I stayed at the ball and had a good time
A                        D         A
'Cause I had some bullshit up on my mind
E                D A
Roll with the tide
        D        A            Gbm A
When I look at her, all I see is you
                  D A            E
When you look at her,  do you see me too?
```

[Ponte]

```
              Dbm
Does it not occur to you?
              Bm
```

```
Do you not prefer the truth?
              Dbm
I was in love with you
                        Bm
Though I didn't show the proof
```

[Refrão]

```
D              A          Gbm        A
Just took a drag, oh, ain't it a drag?
        D        A         E          A
When you feel like history's pullin' you back
                        D        A
Yeah, I've been runnin' bare feet in a field
        Gbm       A
Yeah, a dream gon' bad
          D        A       E         A
'Cause it feels like history's pullin' me back
          D        A       E         A
'Cause it feels like history's pullin' me back
```

[Segunda Parte]

```
D          A              Gbm      A
 I hold my hands up for the firing squad
D          A            E
 And if you want, you can take it all
D          A          Gbm        A
 I don't really know, I can't give no more
D A            E
  Shoot at will
D A                    Gbm A      D
  Because she shoots to kill, yeah
              A   E
And I'm dyin' inside
```
