

# Zayn Malik - Stardust

tom:

Pretty Christmas on a cardboard cup  
 I wait outside for you to pick me up  
 There's somethin' different in the way you touch  
 Different in the way you love  
 Different in the way you love

Feels like stardust floatin' all around us  
 Shootin' right across a big black sky  
 Feels like stardust fallin' all around us  
 Funny how it found us  
 Maybe I, maybe I (yeah, yeah, yeah, yeah)

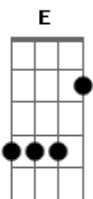

I found perfume in a magazine  
 Oh, oh, oh, oh

Far off places in a moonlit scene

Hey (hey, hey, hey, hey)

And I love to be there with you  
 (I) And I love to be there, baby too  
 'Cause you make anywhere at all

Feels like stardust floatin' all around us  
 Shootin' right across a big black sky  
 Feels like stardust fallin' all around us  
 Funny how it found us  
 Maybe I, maybe I (yeah, yeah, yeah, yeah)

 Shootin' right across a big black sky  
 Feels like stardust fallin' all around us
