

# Zayn Malik - The Time

tom:

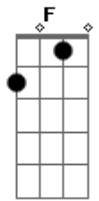

F (forma dos acordes no tom de D )

Capostrate na 3ª casa

Yesterday just came and went  
 And if today I wake up late, I won't forgive myself  
 ?Cause time's running its own game  
 And I've rolled the dice too many times in my head  
 Never fell for the fame thing  
 They fell in love with the same thing  
 Let me know when the rain ends  
 See, all I need is you  
 Ain?t it special? Ain't it precious?  
 The time that we have  
 When I'm laid in your bed and you tell me you lov? me  
 Colors back in all my days  
 Build the structure, l?t it break  
 As long as it's good for your brain  
 Lessons learned is what I've gained  
 Feed your family, forget the fame  
 I'm doing it now for a second name

Never fell for the fame thing  
 They fell in love with the same thing  
 Let me know when the rain ends  
 See, all I need is you  
 Ain't it special? Ain?t it precious?  
 The time that we have  
 When I?m laid in your bed and you tell me you love me  
 And I could cry when you tell me that you love me  
 When you're doing things you shouldn?t be  
 And I lie for you  
 And I could cry when you tell me that you love me  
 And I'd die for you if you asked me to  
 Ain't it special? Ain't it precious?  
 The time that we have  
 When I?m laid in your bed and you tell me you love me  
 ( Em G )  
 When you tell me you love me  
 When you tell me you love me  
 When you tell me you love me  
 When you tell me yoy love me
