

# Zayn Malik - There You Are

Tom: E

Only you know me the way you know me  
 Only you forgive me when I'm sorry  
 Need you when I'm broken  
 When I'm fixed  
 Need you when I'm well  
 And when I'm sick  
 Friends that I rely on  
 Don't come through  
 They run like the river  
 But not you  
 Can't see when I'm falling  
 Losing myself, but then I hear you calling  
 There you are, there you are  
 You're there with open arms  
 There you are, there you are  
 And I run  
 Whispers in the background  
 Behind closed doors  
 I got myself in a mess and  
 Without you I'm in more  
 Oh, I'm a little drunk now  
 That's why I went to war

Oh yeah, you are my sober  
 When I'm on the floor  
 Can't see when I'm falling  
 Losing myself, but then I hear you calling  
 There you are, there you are  
 You're there with open arms  
 There you are, there you are  
 And I run  
 Only you know me the way you know me  
 Only you forgive me when I'm sorry  
 Even when I messed it up  
 There you are  
 Need you when I'm hot  
 And when I'm cold  
 Need you when I'm young  
 When I'm old  
 You won't be far  
 There you are, there you are  
 You're there with open arms  
 There you are, there you are  
 And I run  
 Only you know me the way you know me  
 Only you forgive me when I'm sorry  
 Even when I messed it up  
 There you are
