

Zayn Malik - There You Are

```
Tom: E
Only you know me the way you know me
Only you forgive me when I'm sorry
Need you when I'm broken
When I'm fixed
Need you when I'm well
And when I'm sick
Friends that I rely on
Don't come through
They run like the river
But not you
Can't see when I'm falling
Losing myself, but then I hear you calling
There you are, there you are
You're there with open arms
There you are, there you are
And I run
Whispers in the background
Behind closed doors
I got myself in a mess and
Without you I'm in more
Oh, I'm a little drunk now
That's why I went to war
