

Zayn Malik - Truth

Tom: **F**
Intro: (**Dm Em**)
(**Dm Em**)
My lucks on the game, can't find a way through
Don't know how many times I had to say this to you
This ain't my scene
This wasn't my dream, it was all yours, of course
I got caught up in this game
And you know I won't say names of who's to blame

Em
I won't point any fingers, I won't say it was you
Gm
I'll let life take its time, and in time you'll see the truth
Em
I won't ask any questions, I won't say it was you
Gm
I'll let life take its time, and in time you'll see the truth

(**Dm Em**)
See the truth, see the truth
See the truth, see the truth
See the truth, see the truth
See the truth, see the truth

(**Dm Em**)
My own mind was in the way, front seat, new view
Don't know how many times I've had to talk you through
My dreams, new seeds with enemies
I got caught up in this game, again

Em
I won't point any fingers, I won't say it was you
Gm
I'll let life take it's time, and in time you'll see the truth

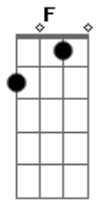

(**Dm Em**)
See the truth, see the truth
See the truth, see the truth
See the truth, see the truth
See the truth, see the truth

Am
Don't tried, hide it all
Don't try, don't try
Gm
Don't try, hide it all
Am
Don't try to hide it all
Bm
Don't try, don't try
Am
Don't try, hide it all
