C7M

Don't keep me waiting

I've been waiting all

Night to get closer

D

And you already know

I got it for ya

You know the vibes

C7M

Know the vibes

Put it on ya

If it movin' too

Fast, we go slower

D

Baby, lose it

From me, mediocre

G

You know the vibes

C7M

Know the vibes

[Primeira Parte]

C7M

You and me here

In this room

Imagining things

We could do

D

Won't tell no lies

No lies to you

I need you here

I need you here

C7M

Mind run 'round

We touchin' slow

Just say the word

I'm ready to go

D

Anticipation

Plays after four

I need you now

[Pré-Refrão]

Baby, I'ma get you

C7M

Right now, baby

When I touch you

Tell me how it feels

Trust me, I'ma make

D

It feel surreal

Baby, mine, you're mine

C7M

I'ma do all the things

Type of things that

Happen in your dreams

Girl, you're right

D

Where you need to be

Just don't keep me

[Refrão]
