

# Zayn Malik - Vibez

tom:

Intro: C D C D Em G

[Refrão]

Don't keep me waiting

I've been waiting all

Night to get closer

And you already know

I got it for ya

You know the vibes

Know the vibes

Put it on ya

If it movin' too

Fast, we go slower

Baby, lose it

From me, mediocre

You know the vibes

Know the vibes

[Primeira Parte]

You and me here

In this room

Imagining things

We could do

Won't tell no lies

No lies to you

I need you here

I need you here

Mind run 'round

We touchin' slow

Just say the word

I'm ready to go

Anticipation

Plays after four

I need you now

[Pré-Refrão]

Baby, I'ma get you

Right now, baby

When I touch you

Tell me how it feels

Trust me, I'ma make

It feel surreal

Baby, mine, you're mine

I'ma do all the things

Type of things that

Happen in your dreams

Girl, you're right

Where you need to be

Just don't keep me

[Refrão]

Don't keep me waiting

I've been waiting all

Night to get closer

And you already know

I got it for ya

You know the vibes

Know the vibes

Put it on ya

If it movin' too

Fast, we go slower

Baby, lose it

From me, mediocre

You know the vibes

Know the vibes

[Ponte]

It for me, do it

Fast, do it fast
