

# Zé da Campina - Madrugando

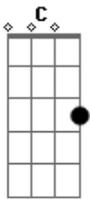

Tom: C  
Intro: Bm7- E7 Am Am7 Dm E7 Am Am7

C E7  
Quando chega a madrugada,  
Am Am7  
Quase sempre,  
Dm Bm7-  
Não sei de nada.  
(E E7) Am Am7  
Mesmo cansada de fingir,  
Dm E7 Am Am7  
E acreditando que você me ama,  
C E7  
Eu tenho medo,  
Am Am7  
Tenho medo de agir.

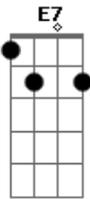

C7 Am7 C7  
Sozinha com meu travesseiro,  
Am7 C7  
Tento esquecer e dormir:  
Viro pro outro lado

(Am Am) E7 C  
Mas o parecer do seu cheiro  
E7 Am Am7  
Continua impregnado nas paredes do meu quarto.  
F E7  
Penso num instante  
C E7  
Que você não mora mais aqui.  
Am Am7  
Sonho acordada  
F E7 (Bm7- E7 Am Am7) 3x Dm E7 Am Am7 C7  
E decido então reagir  
Am7 C7  
Mas a saudade é muito mais forte.  
Am7 C7  
Adormeço na embriaguez  
(Am Am)  
Deste pesadelo e  
E7  
Amanheço acreditando  
(Bm7- E7 Am Am7) 3x Dm E7 Am Am7  
Que o destino é quem vai decidir.
