

Zé Kleber - Agora é vida

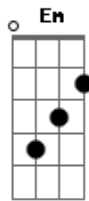

tom:
Em

Vem dos caminhos do mar
Vem navegando cansado
Meu barco azul enfeitado
De bandeirinhas e luz

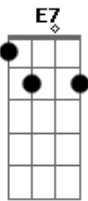

Só pra que
Só por que
O carnaval na rua vai chegar
E o nosso bloco abre alas pra passar

Agora é vida, agora é sonho
O carnaval está na rua

E o passado pouco interessa
Abre a janela, vem ver a lua
Vem ver estrelas na madrugada
A aurora é linda em Paraty

Agora é vida, tristezas não
Tira a saudade do coração

Lala laiá lá - Lala laiá lá
Lala laiá Lalaiá

Lala laiá lá - Lala laiá lá
Lala laiá Lalaiá
