

Zé Mulato e Cassiano - Vale Verde

tom:

D

Venho de terra distante
Onde o céu é mais azul
Sinto estrela cintilante
Me guiando para o sul
Beberei água da fonte
Limpa e pura, verdadeira
Vou transpor as cordilheiras
Cumprindo ordens do coração
E ao chegar ao vale verde
Matarei a minha sede

Soltando as rédeas da emoção

Erguerei o meu ranchinho
Lá na boca da mata
Bem defronte a uma cascata
Ali vai ser o meu ninho
Cantarei nas madrugadas
Serei mais um passarinho
Livre, livre pra voar
Viverei num paraíso
Terei tudo que preciso
Para ser feliz
