

# Zé Ramalho - Hino Amizade

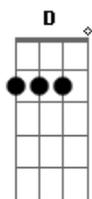

tom:

Intro: D G D A D  
Gm D A D

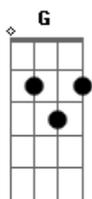

Não existem cantores do povo  
Que não cantem com o seu coração  
As maldades do povo da terra  
Os segredos da sua paixão  
Novamente preparam a guerra  
Com desejos e com ambição  
Novamente o olho estremece  
Com a terrível e final visão  
Dos segredos da quebra dos selos  
Dos novelos da renovação

Dos amores perdidos no peito  
Imperfeito verbo na prisão  
Da aflição dos amigos do peito  
Verdadeira contrição  
Não existem pedaços da terra  
Que não queiram se colonizar  
Nem aboios do gado que berra  
Nem vaqueiros na beira do mar  
Capatazes cortaram à bala  
Os cabelos que vim pentear  
Novamente a mão estremece  
Com receios de me revelar
