Breathing you in when I want you out

Finding our truth in a hope of doubt

Lying inside our quiet drama-ah-ah-ah

Wearing your heart like a stolen dream

Opening skies with your broken keys

No one can blind us any longer-er-er-er

We'll run where lights won't chase us

Hide where love can save us

I will never let you go

We'll run where lights won't chase us

Hide where love can save us

I will never let you go
