

Zevia - If Depression Gets The Best Of Me

tom:

[Primeira Parte]

C
Empty, and numb
Am
Still can't get past all the sadness
C
And the crumbs I left
G
Help me, I'm scar-ared
Am
'Cause the one thing on my mind
G
Is for me to disappear

[Refrão]

C
So mama when I die
G
Please hold in your cry
Am
Just know that when I'm gone
G
I'll always be right by your side
C
And lover, when I leave
G
I know that we don't speak
Am
I'm sorry that I failed you
G
But you meant the world to me
Em
F

[Segunda Parte]

C
I lost my sight
Am
I still can't see all the places
C
Where there might be light
G
I used to stare
Am
At the mirror, now I don't

G
'Cause when I do I see a ghost
F
It's not my **C** fault that you feel like
G
I'm so self centered
Am
I'm tryna be better
G
But I feel under the weather
F
