

ZHIEND - Fallin'

```
tom:
              F (forma dos acordes no tom de E )
Capostraste na 1ª casa
Looking up high
             Aadd9 Abm7
Found a steel tower
            Aadd9
                         Abm7
Wondering how I would feel
         B Db
If I fall down
A B Db
Was it a dream?
A B
I saw deep red
 Dadd9 E
              Gbm7
                      PhhsA
Chasing, for what's far ahead
 Dadd9 E Aadd9
Always yearning, don't know why but
Dadd9 E Gbm7 Aadd9
The beauty I really want
B Db Dadd9
May seem to be awkward to someone's eyes
             Aadd9
Looking down below
 Abm7 Aadd9
From top of the tower
Abm7 Aadd9
Fear takes over my heart
Abm7 Aadd9 B
And my knees won't stop shaking
B A Db
Then I realize
```

```
I'm falling down
Dadd9 E Gbm7
                       QhhsΔ
Why do the things I have loved
Dadd9 E
Always breaking
Aadd9 Gbm7
Don't know why
Dadd9 E Gbm7
                       Aadd9
But the beauty I really want
 B Db
May seem to be
Dadd9 E
                 D
Ugly to someone's eyes
( D Db C Db )
( D Db C D )
( E Eadd9 E )
Dadd9 E Gbm7
Chasing, for what's far ahead
Dadd9 E Aadd9
Always yearning, don't know why but
Dadd9 E Gbm7 Aadd9 B
The beauty I really want, may seem
Db Dadd9 E
To be a little crazy in sight
Dadd9 E Gbm7 Aadd9 Dadd9
And now I've been flying high to the sky
Aadd9 Gbm7 Aadd9 E
Lifting me to the yonder
Gbm7 Aadd9 B Db
Something brought me here so far from home
Dadd9 E
But I'm not cold at all
```

Acordes
